To Santa Cruz County First Responder Supporters:

We are looking for your support. The Board of the Never Forget Memorial Relay have been working on the 6th Annual Never Forget Memorial Relay to raise awareness and funds for the Fallen Officer Foundation, a local organization dedicated to providing support and financial assistance to Santa Cruz County First Responders and their families during times of crisis and special need.

Our community is protected everyday by a courageous and amazing group of men and women serving on the front line in Law Enforcement, Fire, Paramedics and Public Safety. Additionally, we have many who serve as vital support, such as dispatchers, Probation, District Attorney's Office, and the Courts. On April 24, 2022, First Responders will come together and run in a relay to honor their fallen brothers and sisters and to raise funds for Santa Cruz County's Fallen Officer Foundation.

We are soliciting donations for our raffle/silent auction that will be held the day of the race. Your contribution is tax deductible (Fallen Officer Foundation **Tax No. 13-4282250**). Your donation can be something as simple as a gift certificate to your business, a bottle of wine or a gift basket of products. Any donation amount is appreciated. Monetary donations are welcome also.

A donation form for silent auction items is attached. Simply fill it out, then call or email us and we'll handle everything. For questions or to make arrangements for pick up/delivery of items, please contact Heather Whisman via email at neverforgetrelay@gmail.com or via phone at 302-312-3808.

Thank you for your generous support,

Henry Montes, President
and the Board Members of Never Forget Relay
